

# PSALM 23

---

# WHAT YOU WILL NEED

---

- Bible (you can find the verse online)
- Paper (or computer)
- Pens

# A TO Z

---

- Down the side of a piece of paper (or word document) write out the letters of the alphabet so that you can write next to each letter. For example:
  - A
  - B
  - C
- See if you can list a characteristic of God that begins with each letter of the alphabet
- It's alright if you get stuck and can't think of something for each letter

# PICTURE GOD

---

- Read Psalm 23
- Which of these images do you most connect with?
- Which of these images don't you connect with?
- Have you thought about God in these ways before?
